April 2018

As communicated previously last fall and to help you plan your 2nd half 2018 concrete construction costs we will be implementing on July 1st, 2018 a \$3.00/yd³ increase. In addition to this, environmental regulations and the costs associated with those regulations are adding \$0.50/yd³ to our environmental fee for a total of \$3.50/yd³. Finally, we are seeing a significant impact due to the new Washington State Sick Leave Policy our state legislature and governor have implemented. Due to the unforeseen financial impact of this decision, we will be implementing a new \$0.50/yd³ surcharge on your tickets and invoices beginning July 1st.

Our order/dispatch hours are now 6 a.m. to 5 p.m. Monday through Friday, and 6 a.m. to 11 a.m. Saturdays until November 3rd. After November 3rd, our order/dispatch hours will be from 6 a.m. to 4 p.m. Monday through Friday and closed all Saturdays. We are expecting a busy spring, summer, and fall season. Please plan ahead for your pours and schedule early. For those who are ordering a day or two ahead of your pour you will likely be finding yourselves seeking different dates and times because we will be booked up.

Please note and remember our concrete ordering policy:

- Will Call Orders placed for 10:00 a.m. or before **must be confirmed by 3 p.m. on the previous day** of business or your slot may be lost.
- Will Call Orders placed for after 10:00 a.m. **must be confirmed a minimum of 2 hours** before the scheduled time or your slot may be lost. This will include Will Call Orders that are pending inspection by City or County officials.
- Any weather related Will Call Orders less than 100 yd³ must be confirmed a **minimum of two hours before scheduled time**. Those larger than 100 yd³ must be confirmed 4 hours prior to the scheduled time to secure material supplies at our plant(s).
- Confirmed orders which are cancelled within two hours of scheduled time are subject to cancellation charges of up to 100% of the order amount.
- Scheduled deliveries for 4 p.m. or later may be subject to additional after hour fees.

As in past years, beginning November 1, 2018 and continuing through to March 31, 2019 we will automatically be applying a \$3.00/yd³ "Winter Heat[®]" charge to all deliveries. In order to simplify your ordering process and provide you with consistent and reliable ready mix properties, Ferndale Ready Mix & Gravel will guarantee the delivery of 60° concrete.

We will be closed the following days in 2018:

Saturday & Monday, May 26th & 28th, **MEMORIAL DAY WEEKEND**
